DEPARTMENT OF BOTANY

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Botany has received the data from IQAC regarding the feedback from various stakeholders viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and the action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	Requirement of ICT enabled class for Botany students	The Virtual and Digital classes have been included as one of equipment items under RUSA funds, which will be sanctioned next academic year.
2	Subject related Field Trips may be planned.	The Dept of Botany has already initiated Field Trips as a part of MoU with local Research organizations like Central Tobacco Research Institute (CTRI), Kandukur.
3.	Adequate laboratory equipment to be procured for conduction of Practical classes in Tissue Culture and Biotechnology under CBCS curriculum.	The Dept of Botany has already submitted the indent of apparatus to the Head of the Institution for necessary action.

2018-19

S.No.	Feedback Response	Action taken
1	Need to strengthen the research activity in the department by applying Major and Minor Research Projects from UGC and DBT etc	The department of Botany has two Doctorates. The Department has already started applying for MRPs.
2	To make the teaching more effective, eminent scholars may be invited from outside to deliver Guest Lectures.	The Dept of Botany has already been organizing Guest lectures. More number of talks will be arranged in due course of time.
3.	Functional MoUs on Azolla culture with local research organizations may be planned.	The Dept of Botany is more committed to make an MoU with CTRI to carry out Azolla Culture in college.

2019-20

S.No.	Feedback Response	Action taken
1	Plant diversity to be improved.	The Dept of Botany has started to set up new Botanical gardens in the campus to ensure plant diversity and Green cover.
2	Green initiatives to be strengthened in the college premises.	The Dept of Botany has evolved a plan of action to strengthen the Green initiatives such as Palm garden, Vermicompost, Plant diversity.
3.	Short term courses in horticulture may be introduced.	The Dept of Botany is planning to start a Certificate courses each in Azolla Culture, Natural Farming methods next academic year.

2020-21

S.No.	Feedback Response	Action taken
1	Mass plantation programs may be taken up in the campus to increase Green cover.	The Institution has taken up mass plantation as a part of AP State Govt sponsored Jagananna Pachha Thoranam program in association with NSS.
2	Curriculum related Field Trips may be organised.	The Dept of Botany has organized Field Trips to CTRI, College of Horticulture and local fields where organic farming is going on.
3.	Motivation of students to adapt to online classes.	The Dept of Botany is conducting both online and offline classes as per the instructions of the Commissioner of Collegiate Education, AP.

2021-22

S.No.	Feedback Response	Action taken
1	Practical training classes to students on Organic farming methods may be taken up in the Palm Garden	The Dept of Botany has already initiated action on imparting practical training classes to the students in this direction by a local farmer, Sri.J. Venkateswarlu as a part of Project Work for III BSc. students
2	The Dept may think of establishing Hydroponics, Mushroom culture and Aquatic Pond in the campus.	The Dept of Botany has already started working on Hydroponic Units in the Botany lab. The mushroom culture and establishment of Aquatic pond will be taken up next academic year.
3.	More number of endangered plant species (Medicinal and Cactus plants) to be procured to strengthen the green cover.	The Dept of Botany is already contemplating to procure more number of endangered plant species.

DEPARTMENT OF CHEMISTRY

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Chemistry has received the data from IQAC regarding the feedback on Curriculum from various stakeholders viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	Students feel that the syllabus for Chemistry for all years is too heavy to study and get through.	As ours is an affiliated college, we need to follow the syllabus as prescribed by the University. As our faculty member, Dr.M.Srinivasa Reddy happens to be the Chairman of the Board of Studies for BSc Chemistry representing the University, he has brought the issue to the notice of APSCHE and tried to reduce the syllabus to make it more student friendly.
2	The present question paper pattern is to be changed so as to improve the pass percentage in BSc Chemistry.	The HOD of Chemistry Dept, Dr M Srinivasa Reddy in the capacity of Chairman, BOS has represented the matter to the University in BOS meetings. The revised QP pattern has come into force next academic year.
3.	The text books and reference books in the departmental sectional library are to be handed over to the Main library.	The Text Books, which are useful for the students are handed over to the Main Library. The old outdated reference books are retained with the dept.

2018-19

S.No.	Feedback Response	Action taken
1	To conduct Practical classes for III BSc Cluster Papers, more number of chemicals and apparatus are required to be purchased.	The indent for chemicals and apparatus for conducting Practical classes is submitted to the Head of the Institution for procurement.

2	Functional MoUs may be planned on the matters of expert lectures, job placements , Field Trips etc.	The Dept of Chemistry has already initiated in this direction to make MoUs with local sea food industries viz., with M/s: Devi Sea Foods and M/s: Munnagi Sea Foods.
3.	Curriculum related Field Trips may be organised.	The Dept of Chemistry has organized Field Trips to M/s: Devi Sea Foods and M/s: Munnagi Sea Foods as part of MoUs.

2019-20

S.No.	Feedback Response	Action taken
1	PG Course in Organic Chemistry may be introduced in view of its demand in job market.	The Dept of Chemistry is starting MSc. Organic Chemistry course next academic year.
2	Skill oriented courses in BSc Chemistry be introduced.	More number of Skill Development courses related to Chemistry subject are being designed by APSCHE to be implemented from 2020-21.
3.	Need of e-class room for PG students.	The Dept of Chemistry has identified a separate class room with ICT facilities for MSc students.

2020-21

S.No.	Feedback Response	Action taken
1	The revised BSc Chemistry syllabus for III & IV Semesters is heavy. It is suggested to reduce the syllabus.	One of the faculty members, Smt.J Mythri , who happens to be a Member of BOS has brought it to the notice of the affiliating University for cut-shortening the content in the syllabus.
2	The study material for Chemistry be shared in Whatsapp groups for students, who couldn't follow the online classes due to technical problems.	The Dept has decided to share the study material useful for examinations in all Whatsapp groups.
3.	Distilled Water plant be installed in the Dept for conduction of Practical classes	It will be brought to the notice of the Head of the Institution.

2021-22

S.No.	Feedback Response	Action taken
1	More offline classes may be planned in addition to online classes in view of practical difficulties encountered by the local rural students during Covid time.	As per the instructions of the Commissioner of Collegiate Education, AP., the Institution is making all efforts to see that blended teaching both online and offline classes are implemented.
2	Need of introduction of a Multidisciplinary Certificate Course for BSc BZC students.	"Role of Mathematics, Physics and Chemistry in Biology" has been introduced as a Multidisciplinary Certificate Course for BSc BZC students.
3.	As per the revised curriculum, the practical hours for conduction of Practicals has been reduced from 3 to 2 making it difficult to finish it in stipulated two hours.	The issue of increasing the practical hours has been brought to the notice of the BOS members by the faculty. The practical hours have been retained as 3.

DEPARTMENT OF PHYSICS

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Physics has received the data from IQAC regarding the feedback on Curriculum from various stakeholders viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	Shortage of equipment to run practical classes on Renewable Energy as per the CBCS revised curriculum.	The indent for equipment to conduct practical classes has been submitted to the Head of the Institution for procurement.
2	The present duration of 2 hours for conducting practical class is not sufficient to complete.	The proposals for increasing the number of hours from 2 to 3 has been discussed with the members of BOS and requested to retain it as 3.
3.	The Industry Visits may be planned by Dept.	The Dept of Physics has decided to plan for an Industry Visit next academic year.

2018-19

S.No.	Feedback Response	Action taken
1	Expert Invited Talks on Renewable Energy may be arranged from outside.	Dr Nayeem Ahmed, Lecturer in Physics, GDC, Addanki has been invited to deliver an Expert Talk.
2	The ICT enabled classes be planned in department.	As a part of digital initiative, digital class rooms and virtual class rooms are being established in the college with RUSA funds.
3.	Internet facility may be provided to the department through wi-fi routers.	The internet facility has been extended to all the departments including Physics Dept through Wi-fi routers.

2019-20

S.No.	Feedback Response	Action taken
1	Conduction of practicals using CRO may be introduced.	The applications of CRO like measurement of AC/DC voltage, current and phase angle and study of waveforms are being introduced this academic year for III BSc students.
2	Advanced Study Projects may be assigned for advanced learners.	Advanced Study Projects have been assigned by faculty for advanced learners.

2020-21

S.No.	Feedback Response	Action taken
1	Curricular activities like Unit Tests, Assignments, Quiz, Group Discussions may be encouraged.	One of the faculty members, Smt.J Mythri , who happens to be a Member of BOS has brought it to the notice of the affiliating University for cut-shortening the content in the syllabus.
2	The study material may be shared in Whatsapp groups for students, who couldn't follow the online classes due to technical problems.	The study material has been shared in Whatsapp groups for students during Covid times.
3.	On the usage of ICT in teaching advanced topics	The digital and virtual classes have been extensively used for teaching advanced topics in Physics

2021-22

S.No.	Feedback Response	Action taken
1	Science exhibition may be arranged for students.	A science exhibition has been arranged in the department.
2	A multidisciplinary Certificate Course for BSc MPC/MPCs students may be introduced.	Certificate Course for BSc students studying Physics has been introduced.
3.	The practical hours for conduction of Practicals in Physics has been reduced from 3 to 2.	The issue of increasing the practical hours has been brought to the notice of the BOS members by the faculty. The practical hours have been retained as 3 after careful consideration.

DEPARTMENT OF MATHEMATICS

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Mathematics has received the data from IQAC regarding the feedback on Curriculum from various stakeholders viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	Bridge course to be conducted in the first year	Department had started conducting Bridge course in every year for the 1 st semester students
2	Awareness on Project Work in mathematics	Department had conducted awareness program on project work to the final year students
3.	Use of computer for solving the mathematical problems.	Department has trained the students to solve problems using MS Excel.

2018-19

S.No.	Feedback Response	Action taken
1	Remedial coaching for the average and academically poor students	Department has started conducting remedial coaching to the academically poor and average students in mathematics.
2	Use of ICT in teaching	Department has implemented the use ICT – Power Point in teaching Mathematics using digital and virtual classes.
3.	Extra classes to be conducted in Papers of tough content.	Department had conducted extra classes in papers viz., Differential Equations; Real Analysis.

2019-20

S.No.	Feedback Response	Action taken
1	Mathematics Syllabus is to be revised to include skill component.	Department has resolved to represent the matter of revising syllabus in Mathematics to University Authorities
2	On the usage of Digital Classes in Mathematics teaching	Department has started using Digital Classroom in mathematics teaching.

3.	Conduct more extension activities	Department had resolved to provide extension service of teaching mathematics in more simplified way in neighborhood schools
----	-----------------------------------	---

2020-21

S.No.	Feedback Response	Action taken
1	Introduction of Multidisciplinary certificate course in Mathematics	Department has resolved to introduce a Multidisciplinary Certificate Course for BSc BZC students titled "Role of Mathematics, Physics and Chemistry in Biology".
2	Reduce the syllabus in mathematics during COVID-19 pandemic period.	Department has resolved to represent the matter of reducing syllabus in Mathematics during COVID period to University Authorities

2021-22

S.No.	Feedback Response	Action taken
1	Training on use of LMS	Department had resolved to conduct training programs to the student on how to effectively use the LMS videos for Mathematics.
2	Conduct awareness on Skill Enhancement Courses in Mathematics	Department has organized the awareness program on Skill Enhancement Courses in Mathematics

DEPARTMENT OF COMPUTER SCIENCE

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Computer science has received the data from IQAC regarding the feedback from various stakeholders' viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and the action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	Please undertake the renovation work in Computer Science laboratory.	Renovation works have been undertaken with the RUSA funds.
2	Sufficient number of computer systems in the labs may be provided.	The indent has been submitted to the Head of the Institution for necessary action.
3.	Lack of prescribed text books mentioned in CBCS syllabus.	Prescribed text books have been purchased.
4.	On the need of ICT enabled class rooms.	The ICT enabled classrooms have been installed in the form of Digital and Virtual classrooms with RUSA funds.

2018-19

S.No.	Feedback Response	Action taken
1	Remedial classes for slow learners may be initiated.	Remedial classes for slow learners have been initiated.
2	Bridge course on C++ may be introduced.	Bridge course on C++ has been introduced.

2019-20

S.No.	Feedback Response	Action taken
1	Job market oriented courses may be introduced.	Proposals to start Market oriented restructured courses in Data Science have been sent to the Commissionerate for approval.
2	Post Graduate course in Computer Science	Proposals to start M.Sc. Course in Computer Science have been sent to the Commissionerate for approval.
3	Special coaching for Non-Computer students in MS-Office is requested.	Special coaching for BA, BCom students in MS-Office has been conducted in CSc lab.

2020-21

S.No.	Feedback Response	Action taken
1	Request to replace old outmoded computer systems with latest systems.	55 New computer systems have been allocated to Computer Science department.
2	Request to reduce the content in syllabus in view of prevailing Covid situation.	The matter has been brought to the notice of higher authorities and the syllabus has been reduced by the university.
3.	Request lab sessions in virtual mode during COVID-19	Lab sessions conducted through virtual labs.

2021-22

S.No.	Feedback Response	Action taken
1	Certificate course on LATEX may be started.	Certificate course on LATEX has been started.
2	Request for industrial exposure for Computer science students.	Internships have been introduced to get industrial exposure to students as per the instructions of the Commissioner.
3.	On the online conduction of tests through Google platforms.	Online conduction of tests and assignments has already been initiated.

DEPARTMENT OF ZOOLOGY

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Zoology has received the data from IQAC regarding the feedback from various stakeholders viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and the action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	On the requirement of ICT enabled class rooms	Dedicated virtual Digital classrooms have been established through RUSA funds.
2	Specimens for conducting practicals as per revised CBCS curriculum	Procured specimens for practical propose.
3.	On the requirement of Biological models for newly introduced practicals.	Procured the Biological models for conduction of practicals
4.	Guest lectures may be arranged	Organised guest lectures.

2018-19

S.No.	Feedback Response	Action taken
1	Blood Test Kit to be purchased to conduct the blood test.	Blood test kit has been purchased.
2.	Received to conduct field trips relating to zoology.	Dept of Zoology initiated the field trips for the benefit of zoology students.
3.	On the engaging of more Guest Lectures on advanced topics	Guest lectures on advanced topics have been arranged.
4.	Vermi-compost unit is to be established in the college Garden.	The vermin-compost unit in the garden will be established next academic year..

2019-20

S.No.	Feedback Response	Action taken
1.	New Market oriented course in Aquaculture may be started.	Market Oriented Restructured course in Aquaculture Technology has been introduced.
2.	More number of student seminars may be arranged.	More number of student seminars have been conducted.
3.	To conduct field trips to expose the students to the new technology.	Industrial field trip has been organized by the department to M/s: Devi sea foods.

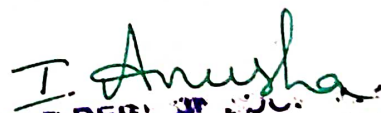

2020-21

S.No.	Feedback Response	Action taken
1.	Solid Waste Management Unit be established in the college .	Started solid waste management unit has been established and the gathered solid waste litter has been used for making vermicompost.
2.	To establish Aquatic pond in the Botanical Garden to increase the Aquatic biodiversity of the college.	An aquatic pond has been planned and designed in Botanical garden.
3.	Field trips may be planned to poultry farms.	Field trips to poultry farm has been arranged by the Dept.of Zoology.
4.	MoUs with local sea food industries may be planned.	The MOU has been made with M/s: Devi sea foods and M/s: Munnangi Sea Foods.

2021-22

S.No.	Feedback Response	Action taken
1.	More number of Student Study Projects be planned for advanced learners.	More number of Student Study Projects have been planned for advanced learners.
2.	Remedial classes for slow learners be arranged	Remedial classes for slow learners have been arranged by faculty .
3.	A Science exhibition may be planned on the occasion of National Science Day.	A Science exhibition in Zoology has been organised on the occasion of National Science Day.
3.	Certification course on vermicompost.	30 Days Certification course has been conducted successfully.

DEPARTMENT OF POLITICAL SCIENCE

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Political Science has received the data from IQAC regarding the feedback from various stakeholders viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and the action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	To enrich the curriculum, Skill related courses may be introduced in Political Science in place of outmoded curriculum.	Since the institution is an affiliated college, it has to follow the syllabus formulated by the university. At our college level the department has taken following action to fill the curricular gap: (i) Organized Hands-on training on various advance technologies, which are currently used by the college (ii) Industrial visits have been organized to percolate the knowledge of industrial environment. (iii) Soft skills training programs have been organized through JKC. The syllabus is going to be revised soon by APSCHE to ensure more Skill oriented courses in regular curriculum.
2	Syllabus for III BA Political Science is rather heavy. Steps are requested to see that the load is reduced.	In the capacity of BOS Member, the matter has been discussed at the meeting to take necessary action.
3	A work shop has to be planned among the teachers dealing the subject to handle effectively the syllabus of newly introduced Electives and Cluster Papers in III year CBCS syllabus.	A Work Shop has been conducted by the Commissionerate for all subjects to discuss the syllabus of newly introduced Electives and Cluster Papers in III year CBCS syllabus.

2018-19

S.No.	Feedback Response	Action taken
1	Provision of Computer with internet facility to facilitate digital learning.	Internet facility has been provided to all departments including Political Science dept to the existing computer system.
2	Mock Parliament may be planned to be conducted in the college involving the students.	The Mock Parliament has been conducted involving the students.
3	More number of curricular activities such as Quiz programs, Group discussions and Assignments may be planned as a part of Curriculum delivery.	More number of curricular activities such as Quiz programs, Group discussions and Assignments have been included as a part of Curriculum delivery.

2019-20

S.No.	Feedback Response	Action taken
1	Coaching for Competitive Exams to be conducted.	Classes on Political Science have been conducted as a part of Coaching for Competitive Exams
2	Remedial classes be conducted.	The slow learners and those who are weak in academics have been identified and conducted Remedial classes in the evening hours.
3	An awareness class on the functioning of EVMs be conducted among students in view of ensuing General Elections.	An awareness program on the functioning of Electronic Voting Machine (EVM) has been conducted in the college.

2020-21

S.No.	Feedback Response	Action taken
1	Syllabus may be reduced keeping in view of difficulty in taking classes online during Covid times.	The matter of reduction of syllabus content has been brought to the notice of University authorities. A blended type both online and offline classes have been arranged.
2	Bridge course on Indian Constitution is to be introduced.	The Bridge course on Indian Constitution has been introduced.
3	More number of curricular activities such as Quiz programs, Group discussions and Assignments may be planned as a part of Curriculum delivery.	More number of curricular activities such as Quiz programs, Group discussions and Assignments have been included as a part of Curriculum delivery.
4	Skill development courses in Political Science to be introduced.	Skill development courses in Arts stream have been introduced in the revised CBCS curriculum

2021-22

S.No.	Feedback Response	Action taken
1	Field trip to local court is to be arranged to understand the functioning of judiciary system.	Field trip to local court has been planned.
2	The books for Competitive exams may be kept in library.	The books for Competitive exams have been placed in the library.
3	Coaching classes for PG entrance tests may be conducted.	Coaching classes for PG entrance tests have been conducted.
4	Special Project works may be given for advanced learners.	Special Project works have been given for advanced learners

DEPARTMENT OF ECONOMICS

Action Taken Report of Feedback on Curriculum

Feedback analysis: The Department of Economics has received the data from IQAC regarding the feedback from various stakeholders' viz. students, teachers, alumni, parents and employers. The Department has conducted the meeting to analyze the feedback responses and resolved to take the necessary action. The following are the feedback and the action taken by the Department.

2017-18

S.No.	Feedback Response	Action taken
1	Introduction of Certificate Course in the department	Economics department has discussed and planned to introduce a Certificate Course in the department next academic year

2018-19

S.No.	Feedback Response	Action taken
1	Crash Course for Students for failed students	The department of Economics has conducted a Crash course for failed students to appear for supplementary exams.
2	PG Coaching in Economics for students	The department of Economics has conducted PG Coaching classes for students appearing for State Universities.
3.	Introduction of Certificate Course in the department	The Dept of Economics has conducted certificate course by name "Budget Analysis" to educate the students about budget receipts and payments.

2019-20

S.No.	Feedback Response	Action taken
1	Use of PPT in teaching.	The department has initiated steps for teaching of subject with the help of ICT.
2	Introduction of New certificate course in the department	The Dept of Economics has introduced a market oriented certificate course Financial Markets to upgrade the students THE financial knowledge and its implementation in their life.
3.	Field Trips may be arranged	Field Trips planned to local Agricultural Fields and Market Yard to understand the subject at ground level.

2020-21

S.No.	Feedback Response	Action taken
1	On the request of conduction of expert talks	The department has conducted a special Seminar for the students on " Basics of Banking Services". Manager, SBI, Kandukur was the Resource Person.
2	Skill development courses in Economics subject to be introduced.	Skill development course on Financial Markets has been introduced.
3.	More number of curricular activities such as Quiz programs, Group discussions and Assignments may be planned as a part of Curriculum delivery.	The department staff members were actively taken ONLINE classes and educated the students about APPS, their usages and their benefits.

2021-22

S.No.	Feedback Response	Action taken
1	National Seminar on Trade Related IPR rights.	The department of Economics has organized a National Webinar on TRIPS.
2	Bridge Course for Non-Economics students	The department of Economics has organized a Bridge Course for the Non-Economics students who joined the BA, without Economics knowledge at Intermediate level.
3.	On the PG Coaching for MA Economics	The department of Economics has organized free coaching for students appearing for MA Economics .
4	New Certificate Course on Economies of Dairy Farming may be introduced.	The department of Economics has conducted a new Certificate called " Economies of Dairy Farming" which provides a self employment in the present society in a profitable manner.
5	The books for Competitive exams may be kept in library.	The books for Competitive exams have been kept in library.

Sir,

Sub: T.R.R.Govt Degree College, Kandukur, Prakasam District- IQAC-Feedback reports on the Curriculum from stakeholders of our college-Request to introduce Market Oriented courses in our college in BSc program-Reg

It is to bring to your kind notice that the Internal Quality Assurance Cell of our college has taken up the assignment of collecting feedback from stake holders viz., Students, Parents, Alumni, Teachers and Employers on the present Curriculum for undergraduate courses. A few of our college alumni and employers have advocated the need of introduction of Market Oriented Courses in the curriculum of undergraduate courses. Strong *market-oriented* skills will help the youths find better job opportunities and higher earnings.

Hence, I request you to consider the request from the alumnae of our college and employers and recommend the same to Andhra Pradesh State Council of Higher Education for implementation.
