2017-18**

## **Action Taken Report on Feedback: 2017-18**

The feedback system is an essential part of governance in the college. The feedback on various aspects of Curriculum such as Curriculum Relevance, Adequacy of Co-curricular activities, Enrichment of curriculum, Delivery of curriculum using ICT, Skill Orientation and Employability in curriculum and Academic Environment and also general suggestions in the college during AY 2017-18 is collected from stakeholders such as Students (50), Teachers (20), Parents (20), Alumni (20) and Employers (10) through a structured questionnaire. It was systematically analysed graphically in detail.

The suggestions made by the stakeholders are discussed at length in the Staff Council meetings and resolved to take action to fulfill them.

Following is the Action Taken Report based on the feedback from the stakeholders on curriculum and other aspects in the college during AY 2017-18.

## Action Taken Report on Feedback related to Curriculum in the college during 2017-18

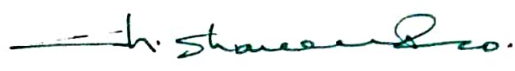

| S.No. | Feedback Received                                | Action Taken by College and Departments                                                                                                        |
