Action Taken Report on Feedback during 2018-19

The feedback system is an essential part of governance in the college. The feedback on various aspects of Curriculum such as Curriculum Relevance, Adequacy of Co-curricular activities, Enrichment of curriculum, Delivery of curriculum using ICT, Skill Orientation and Employability in curriculum and Academic Environment and also general suggestions in the college during AY 2018-19 is collected from sample stakeholders such as Students (50), Teachers (20), Parents (20), Alumni (20) and Employers (10) through a structured questionnaire. It was systematically analysed with help of graphs in detail.

The suggestions made by the stakeholders are discussed at length in the Staff Council meetings and resolved to take action to fulfill them.

Following is the Action Taken Report based on the feedback from the stakeholders on curriculum and other aspects in the college during AY 2018-19
