Our TRR Government Degree college is always at the forefront in the case of outreach programs. Through outreach programs, we can spread awareness among the public. As a responsible institute, we organized a one-day workshop on Azolla culture and Vermi

Compost Preparation for the students of the college and local farmers. Though the turnout of farmers is low (32) we succeeded in dissipating the knowledge of Azolla culture and Vermicompost preparation. Central Tobacco Research Institution, Regional Station Kandukur faculty participated in the program as the resource persons under the able leadership of their Regional Station Director Dr.P. Anuradha. In this program J. Venkateswarlu an Organic farmer graced the occasion and shared his views on Organic farming methods. The farmers visited our Azolla Pond and Vermicompost Unit. Department of Botany organized the lunch program for the local farmers. All the students of the college actively participated in this program. 40 farmers and 75 students participated in the program.
