In T.R.R Govt Degree college a quiz competition was conducted. It was conducted by District Resource Centre. It was conducted in our college at district level. It was organized on 29<sup>th</sup> November 2019. DRC committee has conducted quiz competition on General Knowledge and Current Events globally and nationwide. For this competition they had given a call to interested students from the district, to participate in this competition. Our college team secured 1<sup>st</sup> Prize in this Quiz competition.

## DEFORESTATION ROLEPLAY

TRR GOVERNMENT DEGREE COLLEGE, KANDUKUR, PRAKASAM DT.

ECOCLUB & DEPARTMENT OF BOTANY

11.11.2019

### CIRCULAR

It is to bring to your notice that Eco Club and Botany Department are organizing the Role Play competitions on environment consciousness. As a part of this, two role plays are planned in the month of november and december. The proposed role plays are 1. Deforestation and its ill effects 2. Water conservation. Dr. Ch. Shankar Rao, Lecturer in Economics and K. Malakondiah, Lecturer in Political Science will judge the role Plays. The exact dates will be intimated very soon.

Guidelines to be followed to participate in Role Play:

1. Students from different groups can form one team
2. Each team should not exceed more than 10 members
3. The entire role play should be centered around the central theme
4. Students can use different properties to enhance their performance.
5. Minimum two groups should participate to conduct the program. There is no limit on maximum number of groups.
6. Cash prize of Rs 500 will be given to the winning team

T.R.R Govt Degree College has many clubs and they conduct various events. On 30<sup>th</sup> November 2019 Deforestation Roleplay was conducted. This play was conducted by the Eco-club. The main motto of this club itself is to create awareness to students on environment and its protection. So in this regard Eco-club has organized the role-play of deforestation. In this roleplay students act as humans and trees. They presented a skit on how the

trees are damaged by humans. After cutting all the trees, humans will suffer a lot in many areas like fresh air, breathing problem, Global Warming, Ozone depletion, Ice melting due to Global Warming and dehydration due to scorching heat. These all are the causes of just cutting a single tree. Our students played very well and they have showed how the normal humans are put to suffering because of the ruthless human activities. So, we need to follow the slogan as “Save Trees Save Lives”. This slogan is like if you save the tree, then tree will save you.

## **PREPARATION FOR COMPETITIVE EXAMS**

T.R.R Govt Degree college is aware of the present society and that students can't secure jobs only with the Degree certificates. These Degree certificates and marks will be useful for basics and next level education foot points. In order to train the students T.R.R Govt Degree College has started the guidance on Competitive exams for students. This coaching continued for two months - November and December. This Coaching was organized under the guidance of Career guidance Cell. Many departments have participated and gave coaching to students - Telugu, Botany, Politics, English, and Economics. Students felt so happy on this coaching because they have to pay thousands of rupees for this kind of coaching outside, but now College itself provided and they paved a golden way to their careers at starting itself.

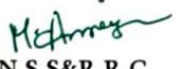

## **AIDS AWARENESS RALLY**

### **TRR GOVT DEGREE COLLEGE :: KANDUKUR**

T.R.R Government Degree College gives importance to social causes also. In this regard they had taken the concept of AIDS on which people lack awareness. Many people are not aware of AIDS and the precautions they have to take. So, our college staff and students created awareness program

on AIDS - cause, effects and precautions. After giving lectures to students by our staff and principal, students took out a rally on the roads. They did rally to create awareness to public by chanting slogans loudly. This was conducted by NSS and RRC unit on 1<sup>st</sup> December 2019. 150 students participated in the programme.

Mathematics Day is observed on the occasion of Sri Srinivasa Ramanujan's Birthday. It will be celebrated on 22nd December, every year. The principal gave speech on the importance of Mathematics in our life. The Department of Mathematics, and other staff spoke on Ramanujan and his life history. It was so inspirational. They also added that many theories which were written by Ramanujan are not yet understood by our scientists. Many foreign researches are using his writings as research topics for their PhD. This event was co-ordinated by the Mathematics Department, in which 120 students participated.

International Women's Day is celebrated on 8<sup>th</sup> March 2020. It was celebrated in our college. It was coordinated and conducted by Women Empowerment cell. On this Occasion, Resource person namely Sk. Salma came to our college and delivered the speech on Women and their role in the society. She also explained how women should be proactive in the society. Women should be strong both physically and mentally. In this

patriarchal society women should be so strong to prove herself. Cultural activities were performed and 200 students participated.

## AZOLLA

T.R.R. Government Degree Collage Kandhukur

Department of Botany

CIRCULAR

date:- 15/02/2020

All the B.zc students are hereby informed that Department of Botany is going to Construct the Azolla Pond on 16<sup>th</sup> Feb. 2020 in our college premisses. All the students should participate in this program without fail.

  
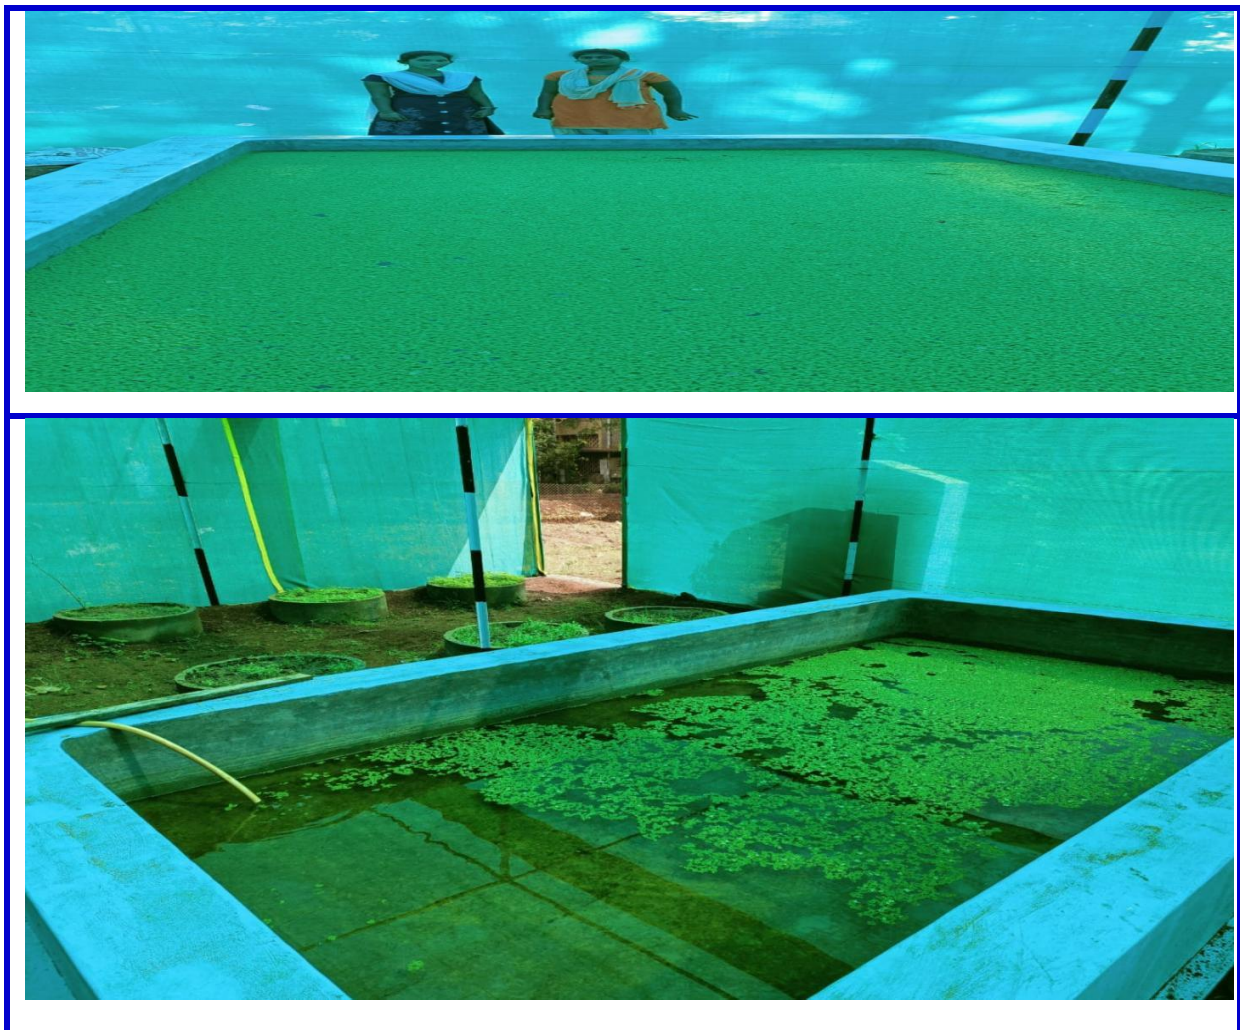

PRINCIPAL  
T.R.R. GOVT. DEGREE COLLEGE  
NAAC Accredited B  
KANDUKUR-523 105, Prakasam Dt

Botany Department constructed an Azolla Pond and brought it under maintenance with the help of students who are studying BZC. Students completed the work of Azolla Pond on 16<sup>th</sup> February 2020. They have

developed the Azolla Pond by mixing the fertile soil with cow dung and water, then spreading across uniformly over the pond.

Azolla pond will be a great source of food for the aquatic animals including fish, birds and aquatic life. Azolla takes up nutrients from the water. From this project T.R.R Govt Degree college students proved they are not only meant to excel in theory part but also in practical manner which will be useful for the nature.

## HYDROPONICS UNIT

Hydroponics is a type of Horticulture and a subset of hydro culture which involves growing plants, usually crops without soil by using water based mineral nutrient solutions in aqueous solvents. Botany department set up a Hydroponics unit in our college such that students will be aware of this and students will teach to the farmer parents and also to the relatives too. Hydroponics unit set up was completed on 27<sup>th</sup> March 2020.

## VERMI COMPOST

The Departments of Botany and Zoology along with the students started a Vermi compost pit. Vermi composting is a process in which the earthworms convert the organic waste to manure rich in high nutritional content. Vermi compost contains water soluble nutrients and is an excellent, nutrient rich organic fertilizer. Vermi compost enhances the plant growth, suppresses the disease in plants, increases the porosity and microbial activity in soil, and improves water retention and aeration. On 31<sup>st</sup> March 2020 Vermi compost that was set up, was brought into operation by our students.
